

“Who better to help
make a real difference
than Goodman JFS.”

Why We Give: David and Carrie Schulman Are Focused On Healing the World

Longtime philanthropists David and Carrie Schulman give of their time, money and efforts to many charitable endeavors, but Goodman JFS holds a special place in their hearts. “Goodman JFS cares for the most vulnerable in our community; the frail, the elderly, the disabled and the hungry. These are the hearts and souls in Broward who need us most.” The Schulmans believe deeply that all lives have a greater purpose — and that leaving a positive impact on the world around us begins through kindness and compassion in our own communities.
