Florida Disability Savings Program for Neurodiverse Individuals

Thursday
May 20, 2021
7:00 p.m.
to 8:00 p.m.

Our relationship with money is so important because financial decisions impact our everyday lives. ABLE United, Florida's disability savings program, and Goodman JFS are excited to bring an exclusive webinar for people in the neurodiverse community. In this presentation, you'll learn the about the basics of money, saving and investing.

We'll also cover how you can achieve financial independence with an ABLE account, save with the help of family and friends, and use your funds for everyday living expenses like groceries; or for big ticket items like saving for a computer, college or a new car.

Florida Disability Savings Program for Parents of Neurodiverse Individuals

Thursday
June 17, 2021
7:00 p.m.
to 8:00 p.m.

ABLE United, Florida's disability savings program, and Goodman JFS are excited to bring an exclusive webinar to South Florida. In this presentation, you'll learn how ABLE accounts provide an opportunity to save tax-free without impacting eligibility for public benefits like Supplemental Security Income and Medicaid.

You can contribute what you can, when you can - all with the help of family and friends - and the funds can be used at any time to pay for qualified disability expenses like doctor's appointments, transportation, housing, education and even everyday living expenses like groceries.

As part of the Rainy Day Campaign, individuals who complete enrollment online and contribute at least \$25 by June 30, will receive a FREE \$50 contribution into your new ABLE account.

About Joshua's Path/BOOST

The Joshua's Path/BOOST program at Goodman Jewish Family Services is here to answer questions and provide caregivers of people with developmental disabilities with referrals to appropriate resources and service providers in the community. The BOOST (Building On Our Strengths Together) program is a 24-week social skills and work training program designed for young adults (ages 18-35) diagnosed with Autism Spectrum Disorder or a related disability.
